

DSC Power Solutions

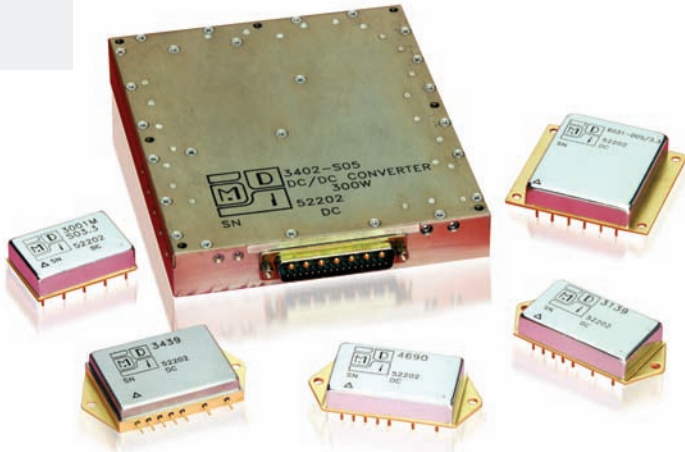

Southern California's Premier Power Supply Representative

Modular Devices Inc.
AEROSPACE, MILITARY AND
SPACE POWER SUPPLIES

- 5 to 1000 Watts, Single and Multiple Outputs
- Standard, Semi-custom and Custom Designs
- Mil-I, Mil-Q and RAD Hard Screening

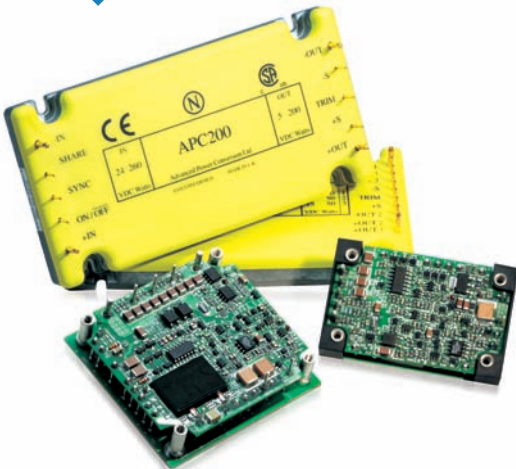

Pioneer Magnetics
STANDARD & CUSTOM POWER SUPPLIES

- 500 to 10,000 Watts, Switch Mode Power Supplies
- Enclosed, Redundant, Hot Swap Units and Systems
- Three Phase, DC, PFC & Universal Inputs

Powerstax plc
DC to DC Converters

- 200 to 500 Watt Full Brick Modules
- 50 to 150 Watt Half & Quarter Brick Modules
- Standard, Modified and Custom Designs

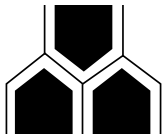

MESA POWER SYSTEMS

- 60 to 1000 Watts, Switch Mode, Linear
- PC Board, Open Chassis, Enclosed, VME & cCPI
- Commercial, Industrial & Semi Military Designs

Power Supply Representative

UMEC International
DC TO DC CONVERTERS

- 1 to 150 Watts, Single and Multiple Outputs
- Standard, Semi-custom and Custom Designs
- Low Profile Designs and Industry Standard Footprints

Channel Well Technologies
ATX/PC POWER SUPPLIES

- 90 to 400 Watts, ATX and PS/2 PC Power Supplies
- Stand Alone Modules and Hot Swap Multi-Array Systems
- 1U, 2U, Flex ATX, NLX, SFX, TPS, & WTX Intel Compliance

eUrasia Power

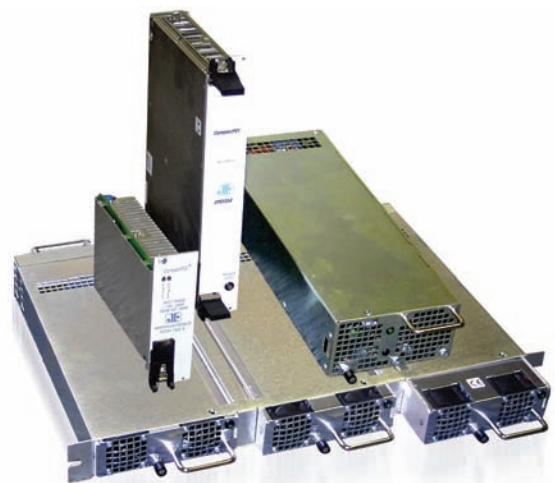

Eurasia Power
COMMERCIAL POWER SUPPLIES

- 65 to 300 Watts, Single and Multiple Outputs
- Standard, Semi-Custom and Custom Designs
- Low Profile Designs & Industry Standard Footprints

ETA-USA
HOT SWAP & cPCI POWER SUPPLIES

- 175 to 600 Watts, cPCI and Modular Power Supplies
- Redundant, Hot Swap Modules and 19" Rack Assemblies
- Power Factor Correction, DC and Universal Inputs

Jackson Engineering

Custom E.I. Power & Toroidal Transformers

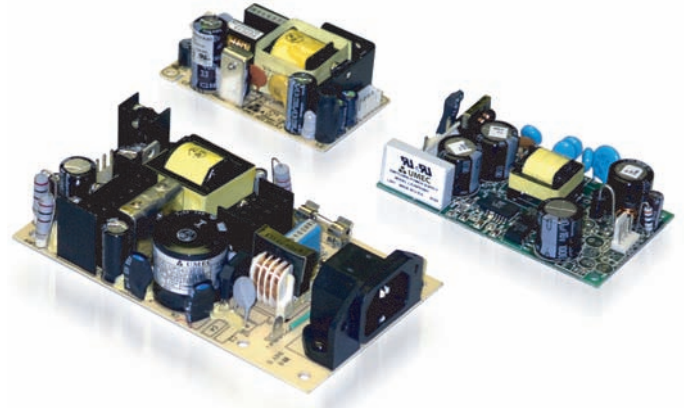

- 100 to 30KVA Watts, Single & Three Phase, Custom Transformers
- Audio, Industrial, Isolation, Medical, Power, & SMPS
- UL & CSA Class A, B & H Temperature Ratings

UMEC International

Low Power & Open Frame

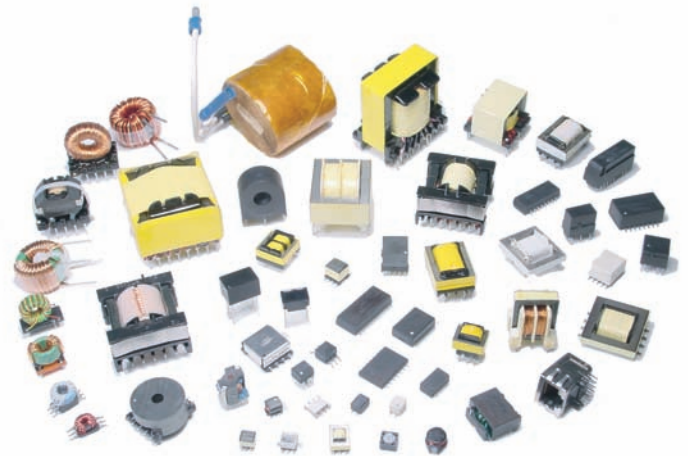

- 5 to 100 Watts, Single and Multiple Outputs
- Standard, Semi-custom and Custom Designs
- Low Profile Designs & Industry Standard Footprints

Pillar Pillar Industries, Inc.

Transformers, Wall Mount & Desktop Power Supplies

- 1 to 60 Watts, Switch Mode and Linear Power Supplies
- AC to AC Transformers
- Battery Chargers

- Broadband, LAN & MagJack Magnetics
- Audio, Balun, Linear, & Pulse Transformers
- Medical Transformers, Chokes, Coils, & Inductors
